The Chair of Derivatives and Financial Engineering, Faculty of Economics and Business at Goethe University, is seeking to fill the position of a

**Research Assistant (m/f/d)**

(Postdoc E 13 TV-G-U)

from April 01, 2024 on. The position is initially limited to two years with option of extension. The salary is based on the job characteristics of the collective agreement applicable to Goethe University (TV-G-U).

Requirements for employment are a successfully completed academic university degree (diploma/master) and a successfully completed doctorate in finance or economics as well as expertise in theoretical and/or empirical asset pricing with an interest the area of intermediary asset pricing.

The position is very suitable for candidates who have already produced a certain number of working papers, which they would like to further develop in preparation for the academic job market and who are willing to get involved in new research activities in the research unit “Financial Markets and Frictions – An Intermediary Asset Pricing Approach (FOR 5230)” (sponsored by the German Research Foundation DFG) and in the finance department at Goethe University.

A basic knowledge of German is an advantage.

The tasks include teaching and research in the area of asset pricing, the latter with the potential to contribute to the research output of the DFG research group, as well as academic self-administration tasks.

Please send your applications **no later than March 05, 2024**, by e-mail to **derivate@finance.uni-frankfurt.de**, subject: “Research Assistant (Post Doc) April 01, 2024”.
